

Yellow warning
Wind

Between
20:00 Thu 29 Jul 2021 and
12:00 Fri 30 Jul 2021

Storm Evert will bring a spell of strong to gale force winds which may cause damage to infrastructure and lead to travel disruption.

What to expect

- Injuries and danger to life from flying debris are possible
- Some damage to buildings, such as tiles blown from roofs, could happen. There may also be some fallen trees and damage to temporary outdoor structures is possible
- Road, rail, air and ferry services may be affected, with longer journey times and cancellations possible
- Some roads and bridges may close
- Power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- Injuries and danger to life could occur from large waves and beach material being thrown onto sea fronts, coastal roads and properties

Further details

Storm Evert will bring a spell of windy weather with coastal gales into southern parts of England and Wales during Thursday evening onwards through the night into Friday morning. Gusts of 45 to 55 mph are expected quite widely with a chance of gusts of 60 to 65 mph in the most exposed coastal spots. Parts of Cornwall and Wales will see the highest gusts. Winds will then ease from the west during Friday morning. Showery rain will accompany these high winds at times, some of this rain heavy.

Reason for update

Warning area extended into Wales and raised from very low to low likelihood.

Low likelihood of medium impacts
